spoke with Kathy Ring and Lisa walsh in legal, Jeanne. Asked them to substitute "cigarette coupons" for "free cigarettes" (ie drop the free and add coupons). Will you please pass along to your database collleagues also and thank you for asking.

In light of the "no more samples via mail", do you want to draft new smoker certification language that I can pass on to LBCo?

I faxed this to R&M (Alan) per their (his) request last June.
